📅 13th-15th November 2026 | Venue : AMA Convention Centre, Stanley Road
Near Mayohall Crossing, Prayagraj

Organised by : Prayagraj Neurological Society and Department of Neurology
& Neurosurgery, MLN Medical College Prayagraj, Uttar Pradesh

CONFERENCE BROCHURE

www.upukneuroconprayagraj.com

Welcome Message

Dear Seniors and Colleagues,

*On behalf of the Organising Committee, it is our great pleasure to welcome you to **UP-UK NEUROCON 2026**, scheduled from **13th–15th November 2026** at the **Allahabad Medical Association Convention Centre (AMACC), Prayagraj.***

Jointly organised by the Prayagraj Neurological Society and the Department of Neurology & Neurosurgery, MLN Medical College, Prayagraj. This prestigious academic meet will bring together neurologists, neurosurgeons, and neuroscience professionals to deliberate on recent advances and future directions in the field. The scientific program is thoughtfully curated around the theme ***“Bridging the Future: Precision and Progress in Neurosciences.”***

The conference will be preceded by hands-on Pre-Conference Cadaveric Workshops, offering participants an invaluable opportunity to gain practical exposure to advanced surgical anatomy and modern operative techniques under expert faculty guidance.

A major academic attraction will be the **“How I Do It” Video Sessions**, where experienced faculty will share their personal surgical approaches, operative pearls, and real-world insights through high-quality operative videos.

Set in the spiritually vibrant city of Prayagraj, the conference also offers delegates a unique opportunity to participate in the sacred **Holy Sangam Snan** at the confluence of the Ganga, Yamuna, and the invisible Saraswati—an experience symbolizing purification, harmony, and renewal, beautifully complementing the spirit of scientific exchange.

We look forward to your enthusiastic participation and valuable contributions in making UP-UK NEUROCON 2026 an academically enriching, professionally rewarding, and spiritually memorable experience.

With warm regards,

Dr Mukul Pandey
